

## TURNAROUND TABLES

Our current turnaround time is 40 points per day once we receive the dry VO and any other necessary elements. Please review the following chart for examples of when you can expect turnaround:

# of Points	In by 9am Eastern	In after 9am Eastern	In after 9am EST Fri
40	Next Business Day	2 Business Days	Tuesday (holidays excl)
80	2 Business Days	3 Business Days	Wed (holidays excl)
120	3 Business Days	4 Business Days	Thursday (holidays excl)

- Please allow ONE extra business day for turnaround during PEAK Season (March/April, August/September).
- All times above are based upon us already having the VO tracks and other necessary elements.

Rush service MAY be available for your package. The total cost is 3 points per sweeper or \$20 per sweeper depending upon whether you are on a retainer or a per-project basis. Rush service may be suspended during extremely high peak days. Please check with me prior to ordering rush service for confirmation that it is available.
